**KARWACKI FAMILY  
THE PURSUIT OF EXCELLENCE  
IN CATHOLIC EDUCATION  
FUND**

“Catholic schools hold a very special place in our family’s heart. Each one of us has had the privilege of being educated within the Greater Saskatoon Catholic School system. The journey for each of us was unique, yet we all had the opportunity to pursue our passions, within the context of being a member of God’s family.

The journey to excellence and pursuing passion is individual. The pursuit may be found in academics, athletics, the arts, or other areas. The common denominator is that the path is filled with God’s presence and the expectation to use talents and gifts to the fullest extent possible.

We are proud and grateful to have benefitted from a Catholic school education, and now wish to support others along their journey, however unique that may be.”
